About Me

User focused UI/UX Designer with 10 years of experience in delivering engaging, user-friendly digital products. Skilled in wireframing, prototyping, visual design, and frontend development. Experienced in leading design processes, analyzing user behavior, and collaborating with cross-functional teams to build web and mobile solutions. Proven ability to revamp products based on user feedback and usability research.

Experience

Associate Lead UX Developer | Speridian Technologies

2022 – Present, Trivandrum

- Promoted from Senior UI/UX Developer to Associate Lead for outstanding leadership and design execution.
- Nominated for the GMVP Award, recognizing top talent across the organization.
- Spearheaded the design and launch of the internal UXD Portfolio Website, showcasing the team's capabilities and impact.
- Collaborated with product managers and developers to ensure seamless user experience and visual consistency across digital platforms.
- Mentored junior designers and played a key role in improving internal design workflows and processes.

UI/UX Designer (Contract) | H&R Block

2022 – Present, Trivandrum

- Implemented iterative design improvements driven by usability testing data and stakeholder insights to enhance the overall user experience.
- Led the revamp of the Australian DIY product's UI/UX, which was highly appreciated for its improved user experience.

Senior UI/UX Developer | OrisysIndia Consultancy Services LLP

2019 – 2022, Trivandrum

- Promoted to Senior UI/UX Developer for exceptional contributions across the product lifecycle.
- Translated client requirements into visually compelling and functionally effective digital solutions.
- Specialized in wireframing, prototyping, and front-end development using modern web technologies.
- Actively participated in deployment cycles and independently managed CMS based websites from design to launch.

Interface Design Engineer | ICwares Systems & Softwares Pvt. Ltd.

2014 – 2019, Trivandrum

- Gained hands-on experience designing responsive websites and mobile applications.
- Contributed to both Android and iOS projects, ensuring cross platform consistency and usability.
- Developed a strong understanding of the complete design to deployment workflow.
- Advocated for user-centered design and prototyping as critical components of successful project delivery.

Education

B.Sc. Physics

MG University | Baselius College, Kottayam | 2011 – 2014

Higher Secondary Education (Computer Science)

NCERT | St. Jeroms HSS, Vellayamkudy | 2009 – 2011
